Here for the long haul

With a **FULL INVENTORY** of new and used trucks

At CIT, you'll find the right truck at the right price. Fleet owners, owner/operators, and local distributors can take advantage of:

- Competitive prices on new and used trucks
- A diversified truck product line
- Creative financing programs
- Competitive insurance packages
- Creative preventive maintenance programs
- Extended warranty programs

These benefits minimize operating costs and maximize resale value, which keeps your business running efficiently and profitably.

New Trucks

CIT carries a large inventory of new trucks with the latest and most advanced technology available in the industry. Our computerized truck specification system enables our sales professionals to quickly and accurately customize trucks to each customer's unique specifications.

We are a franchised dealer for the following product lines:

Heavy Duty (Class 8)

Kenworth
Volvo

Medium Duty (Class 3-7)

Kenworth
Isuzu

Used Trucks

If you're looking for a late-model, road-ready used truck, you'll find a large selection at CIT. Each of our five locations carries a full inventory of fully reconditioned pre-owned trucks, many of which are still under OEM or component manufacturer warranty. We also offer optional extended warranties.

With **SERVICE** that goes the extra mile

At CIT, we have the people, the technology, and the facilities to ensure the highest quality repair and maintenance service. Our factory-trained staff of more than 125 technicians provides experienced, specialized service on all makes and models of tractors, trailers, and trucks. All technicians have online access to service manuals and technical information, which ensures that the most efficient and effective repair procedures are followed.

With 130 service bays available, our facilities are set up to get the job done. Plus, all seven of our locations have extended hours for your convenience.

Our service division offers:

- A staff of more than 140 ASE certified technicians
- Free estimates
- Up-to-date repair procedures via online access to service manuals and technical information from Kenworth, Volvo, Caterpillar, Cummins, and Detroit
- Quick claims processing via online access to OEMs
- Extended hours of service
- Computerized repair history summaries for any unit in your fleet
- Specialized tooling for the smallest repair to major overhauls
- 120,000 square feet devoted to heavy-duty service
- 15,000 square feet dedicated to medium-duty truck service
- 130 service bays
- Authorized warranty repair for Caterpillar, Cummins, Volvo Power, Isuzu, GMC, Wabash, and Trailstar.
- The latest in engine diagnostic equipment and specialized retooling
- Easy access, spacious parking, and trailer pads
- Drivers' lounge, shower room, and taxi service to and from local hotels
- Contract Maintenance Services
- Dedicated service bays for quick lube and PM maintenance

With an **EXTENSIVE PARTS INVENTORY**

As one of the largest retail parts outlets in the Midwest, CIT provides customers with excellent parts availability, prompt service, and competitive prices. With more than a \$6 million parts and accessories inventory, we offer customers the widest selection for all makes and models of tractors, trailers, and trucks. Plus, our large volume purchasing power keeps prices down. In addition, our fully computerized inventory system ensures that we maintain proper stocking levels and enables our parts staff to locate and process your parts order quickly and efficiently.

Our parts division provides:

- A staff of experienced parts professionals
- More than \$6 million in parts inventory on hand
- Authorized dealer for: Kenworth, Volvo, Isuzu, GMC, Caterpillar, Cummins, Wabash, Stoughton, Fruehauf, and Trailstar parts
- More than 130 additional product lines, including parts for brakes, heating and cooling systems, power and drive trains, filtration, air systems, electrical systems, steering, exhaust, suspension, and hydraulics, as well as belts, hoses, fittings, fenders, flaps, holders, fifth wheels, chrome, and accessories
- Competitive prices through volume discount purchasing
- Accessories and parts for all makes and models of tractors, trailers, and trucks
- Parts delivery service provided by experienced parts professionals
- Convenient on-site parts service Monday through Saturday at each of our seven locations
- A 24-hour toll-free number for parts assistance
- Computerized inventory system for efficient order fulfillment
- A large parts warehouse as well as well-stocked parts display area

With quality **BODY SHOP** services

Our outstanding reputation for quality body shop repair begins with a commitment to providing state-of-the-art facilities and experienced personnel to get you back on the road quickly.

At CIT, we are equipped to handle all types of truck reconditioning from fender benders to complete structural rebuilding. With our computerized alignment system, heavy-duty frame alignment machine, and in-house paint-mixing capabilities, we have the tools to get the job done. Our technicians are skilled craftsmen, averaging more than 10 years in the industry.

At CIT, we provide the following body shop services:

- 22 bay state-of-the-art shop facility
- Fast and complete estimates
- A highly experienced team of professional body craftsmen
- Complete structural repair and rebuilding on all makes and models of tractors and trucks
- Spray/bake paint booth replicating OEM procedure
- Complete in-house paint mixing of Sherwin Williams and Dupont products; factory original finishes on most models
- Computerized and laser-guided total alignment system for the diagnosis and correction of any alignment problem
- Bee-Line truck frame machine and press system for complete chassis and suspension correction on heavy-duty vehicles of all types
- Abrasive blast room
- Frame lengthening and shortening
- Rebuilt cabs and hoods in stock
- Insurance claim administration for all insurance companies
- Convenient hours and access
