Our Beginning

CIT Trucks, LLC has been a proud partner of the transportation industry since 1975. Our combined businesses, with a workforce of over 900 people, offer a diverse range of truck brands, including Kenworth, Volvo, Mack, Isuzu, and Autocar. Our 15 locations strategically cater to sales territories across Illinois, Missouri, and Indiana.

Who We Are

CIT Trucks is your comprehensive commercial truck solution. We represent leading brands like Kenworth, Volvo, Mack, Autocar, and Isuzu Trucks, offering a full range of services. Find your perfect truck from our selection of new and used vehicles. We maintain a vast parts inventory to keep your trucks running smoothly. Our expert technicians provide top-tier service and maintenance, and our state-of-the-art body shop handles any repairs.

Need flexible options? We offer in-house rental and leasing through Central Truck Leasing and financing solutions through Central Truck Finance.

Our Culture

We are proud of CIT Trucks' heritage that is rooted in integrity and hard work. Our success is due to the commitment of our employees and our continued search for promising, talented individuals who build on our strong foundation and contribute to the company's continued success.

Diesel Technician

Join a company with fast-paced, steady, challenging work that will provide you the opportunity to work on medium-duty and heavy-duty trucks. Continuously improve your technical skills and become certified to work on technical and mechanical components.

The **Diesel Service Technician** performs repairs and maintenance work on heavy-duty and medium-duty diesel trucks in accordance with dealer and manufacturer standards.

Responsibilities Include:

- Run diagnostics on medium and heavy-duty vehicles
- Repair various components which may include engines and other systems
- Perform inspection and preventative maintenance services
- Complete online training courses and attend instructor-led classes
- Follow all safety practices and procedures

CIT Trucks Tool Purchase Program:

- Technicians are offered a zero interest loan to purchase up to \$5,000 worth of tools/equipment
- Those who partake in the program have 2 years (24 months) to pay it off via payroll deductions
 - You can choose to take out less than \$5,000 and pay it off in less than 24 months
- Participants may choose from any major tool vendor to purchase your equipment (Snap-On, Matco, Cornwell, Mac, Sears)
- Once a participant pays off the balance, the tools/equipment belong to the employee
 - If a participant leaves the company with an outstanding balance, the remainder of the loan may be deducted from the final paycheck
 - Any remaining balance after the final deduction is required to be paid back within 2 weeks
 - The monthly payment plan is only applicable to employees of the company
- Upon termination, if a participant still has a balance and does not wish to pay it off in full, the tools then become property of CIT Trucks
- After paying off their current loan, a participant may take out another loan
